The Agricultural Advisor Boards Role in in the Property Tax System

One of the Agricultural Advisory Board members must be a representative of the county agricultural stabilization and conservation service, and the remainder of the members must be landowners of the district whose land qualifies for appraisal under Subchapter C, D, E, or H Chapter 23 and who have been residents of the district for at least five(5) years. The board shall advise the chief appraiser on the valuation and use of land that may be designated for agricultural use or that may be open space or timber land within the district.
